Presenter:

Ruth Fowler

Ruth was the co-founder of WCCM Australia in Victoria in 1985, (known then as the Australian Christian Meditation Community) and led the Community in its formative early years. Since that time, she has given workshops and retreats both here in Australia and overseas, assisting adults to deepen their practice and understanding of the path of Christian meditation, as well as working with teachers on ways of introducing Christian meditation into schools and parishes. She also works as a spiritual director and leads a Christian meditation group. Ruth is currently undertaking a PHD in the area of spirituality at the University of Divinity.
